

CONSTITUTION OF <insert your student chapter's name here>

Article 1 – Name

The Student Chapter's official name will be "<insert your Student Chapter name here>." No other name will be used in the advertisement or representation of the Student Chapter.

This article is self-explanatory. You must define the exact name of your Student Chapter that will be used in all official capacities (read membership guidelines for more information).

Article 2 – Student Chapter Mandate

(1) List all purposes for which this Student Chapter will serve

Outline and describe the planned purpose of your Student Chapter. It is important that you not define your Student Chapter too narrowly or too broadly. Your Student Chapter needs a more specific reason for existing, but try not to define your Student Chapter with such a focused precision that you leave no room for growth and different ideas to emerge. What we recommend is that you give a good, but more general outline of your Student Chapter's purpose. When it comes to your Student Chapter's purpose and mandate, we will hold you to, and sometimes constrain you to, what is written in your constitution, but we will not hold you to the contents of your cover letter.

Article 3 – Membership

- Membership will be open to everyone; if not read below

If membership is not open to everyone then the Chapter must be having some criteria and selection procedure for the selection of members. If such is the case then specify the closed status of membership and the criteria along with the selection procedure in the above clause.

The criteria could be based on GPA, Knowledge, skills, achievements etc. and selection procedure could include short listing based on CV, Trials, written tests, Interviews etc. It is recommended that the procedure should be such that it does not scare away prospective members.
